Authorship and Originality Declaration

We, the undersigned authors, certify that this manuscript is original, has not been published or submitted elsewhere, and that each author contributed substantially to the research and manuscript preparation. All authors have read and approved the final version of the manuscript, and the work complies with ethical standards of research and publication.

Copyright Transfer

If the manuscript is accepted for publication in Environmental Research and Technology (ERT), the authors agree to transfer all rights, title, and interest in the work to the publisher. Authors retain the right to reuse the article in future compilations with proper citation and to deposit the accepted manuscript in institutional or funding agency repositories according to ERT's open access policy.
